

ONroute Digital Signage Network Specifications

The following document contains production and delivery specs for digital signage client creative contracted to appear on Cineplex Media's ONroute Digital Signage Network. All advertising must be consistent with the Cineplex Media Advertising Policy which can be found at www.cineplexmedia.com.

Any creative deadlines that are missed may result in a delay of the campaign for which Cineplex Media will not be held responsible. Cineplex must pre-approve all creative prior to production as per the terms and conditions in your client contract. Cineplex reserves the right to reject creative not delivered to published specifications delivering unsatisfactory video or audio quality. Creative appearing in the ONroute Digital Signage Network, must be suitable for an all ages viewing audience.

Final creative files must be delivered to Cineplex Media in a form compliant with the Cineplex Media digital signage production specifications **five (5) business days prior to start date**.

For digital ads to be produced by Cineplex Media, creative elements are due **ten (10) business days prior to start date**.

If you have any questions regarding deadlines for your creative, please contact your sales representative at Cineplex Media.

For production specification questions, please contact a member of our digital signage production team.
